

## STUDENT MATHCAD FILES, v7.0

2/17/06

These MATHCAD files supplement the book, *Digital and Analog Communication Systems, 7<sup>th</sup> Edition (International)*, by Leon W. Couch, II, Prentice Hall, Upper Saddle River, NJ, 2006.

This directory contains MATHCAD (trademark of MathSoft, Inc.) template for selected equations, figures, tables, examples, and study-aid examples, in this book that are marked with a computer symbol. **Files for computer homework problems are included only if the homework problems are marked with a ★.** To run these MATHCAD \*.MCD files a copy of the student version of Mathcad7 (or higher, or the MATHCAD Professional version) is needed. For example, to reproduce Figure 3-14, run the MATHCAD file FIG3-14.MCD. These \*.MCD template files were written by Leon W. Couch, II.

The **Student MATLAB M Files, v7.0**, and the **Student Solutions Manual** for *Digital and Analog Communication Systems, 7<sup>th</sup> Edition (International)*. can be also be downloaded from the Internet Web Sites maintained by the author. The **Student Solutions Manual** contains complete written solutions for the homework problems in the 7<sup>th</sup> Edition that are marked with a ★. The URLs for these web sites are
